

HIPAA Compliance & Privacy Policy

Patient Rights

- You have the right to request access to your medical records.
- You may request amendments to incorrect or incomplete records.
- You have the right to receive a copy of this privacy policy.

How We Use & Disclose Your Information

- For treatment, payment, and healthcare operations.
- To comply with legal and public health requirements.
- With your written authorization for non-standard uses.

Our Responsibilities

- We maintain the security of your protected health information.
- We will notify you in case of a breach of unsecured information.
